

How Many Syllables?

Help your child decide how many syllables are in each of the following words. Try clapping out each syllable together if your child gets stuck. Alternatively, ask your child to hold their hand under their chin as they say each word. They will feel their chin move down every time they start a new syllable.

	1 Syllable ●	2 Syllables ● ●	3 Syllables ● ● ●	4 Syllables ● ● ● ●
 Tractor				
 Fish				
 Octopus				
 Tent				
 Helicopter				
 Apple
